

EDUCATION SECRETARIAT

Passes orders regarding the Enhancement of Part-time Allowances to Hindi Teachers and empowering the Director of Public Instruction to sanction such enhancements in certain cases.

READ—

Government Order No. E. 6357-58—Edn. 104-46-2, dated 27th February 1947, sanctioning the enhancement to a uniform rate of Rs. 10 per mensem from the previous varying rates of Rs. 5 and Rs. 7-8-0 per mensem of part-time allowances to all kinds of part-time teachers for teaching Hindi, Kannada, Urdu, Sanskrit, Music, Sewing, Drill and Religion in the various Middle Schools in the State, the allowances being tenable for 10 months in the year.

2. Government Order No. E. 8594-95—Edn. 103-46-29, dated 30th May 1947, sanctioning an annual budget provision of Rs. 8,000 every year for the purpose of sanctioning part-time allowances for teaching the optional subjects mentioned in the Government Order read above and empowering the Director to sanction those allowances to needy schools within the budget provision and also fixing the minimum strength of students for introducing the optional subjects at 20.

3. Letter No. M. 4—2455-121—48-49, dated 18th November 1948, from the Director of Public Instruction, requesting in the circumstances explained, sanction to the enhancement of part-time allowance to Hindi Teachers from Rs. 10 to Rs. 15 per mensem at least in respect of Hindi teachers who handle more than one class and as this necessitates the enhancement of allowance of Rs. 10 sanctioned in one year to Rs. 15 in the subsequent year, that he may also be empowered to sanction such enhancements.

ORDER No. E. 10869-70—Edn. 28-48-97, DATED BANGALORE,
THE 8TH APRIL 1949.

The Director of Public Instruction states that it has been represented that the allowance of Rs. 10 per mensem to teach Hindi is very low and there is not adequate response from the teachers to teach this subject. The allowance in High Schools has been recently raised from Rs. 20 per mensem to Rs. 30 per mensem as per Government Order No. E. 11210-11, dated 25th June 1948. The subject (Hindi) has to be introduced in the first instance in the II Year Class of a Middle School and the teacher has to work four periods a week and when the subject is automatically continued in the III and IV year classes the teacher will have a total number of twelve periods per week.

The Director states that it is necessary to raise the rate of part-time allowance at least in respect of Hindi teachers who handle more than one class in view of the increasing importance the subject is gaining in the new set-up of the country.

Further he states that during 1947-48, there were 47 posts of Hindi teachers on Rs. 10 per mensem and two on Rs. 15 per mensem and all these teachers would be handling more than one class. The extra cost involved in converting 47 posts to Rs. 15 per mensem will be Rs. 2,820 per annum and this is proposed to be met out of the savings in Departmental budget during the current year, necessary provision being made in the budgets of the future years and requests sanction to his proposal.

He adds that a provision of Rs. 6,000 has been made for this purpose in the current year's budget as usual that out of this provision allowance for 42 Hindi teachers at Rs. 10 per mensem has already been sanctioned so far this year, that, if his present proposal is sanctioned, the allowance sanctioned in one year will have to be enhanced in the subsequent year from Rs. 10 to Rs. 15 per mensem and requests that he may be empowered to do so, to avoid frequent references to Government.

The proposals of the Director are sanctioned. The cost involved may, as suggested by the Director, be met out of the Departmental savings during the current year and necessary provision included in the budgets of the Department for the next and subsequent years.
